

ANDREA MICHAELSON DESIGN

In designer Andrea Michaelson's work, the sophistication of history is often tempered with contemporary or industrial flourishes, producing singular designs. Andrea's projects range in scope from consulting on furnishing and finishes to full-scale remodels and ground-up architectural interiors, as well as design/build options.

GODDARD DESIGN GROUP

A 17th century baroque cabinet from Naples finished with Chinese export porcelain is paramount in this formal living space designed by international award winning designer Chris Goddard of Goddard Design Group. In this antique and art-filled room, shades of blue and French chairs in a whimsical polka dot chintz add levity to this vignette.
